Description:

Centerpiece of an 834-acre resort and residential community fronting the Pacific Ocean 15 minutes from downtown Cabo San Lucas, the Greg Norman Signature golf course at Rancho San Lucas is a multi-themed layout with sweeping ocean views from every hole.

Spanning three different ecosystems, the golf course hugs huge windswept dunes at the start, climbs through a thick cactus forest creased by winding arroyos, transitions across a littoral zone and returns players to the beach and dunes for a rousing finish. Most of the greens are medium-sized and subtly contoured, though four of the putting surfaces exceed 12,000 square feet in size.

The low-profile layout's defining characteristic is its revetted pot bunkers. These sharp-edged, steep-walled sandy pits were constructed from recycled artificial turf and are nearly identical to the natural sod-walled bunkers found on British seaside links courses.

For use during the windy season in late spring, Norman and his design team have devised a 12-hole Short Course that consists of 12 low-lying holes drawn from the regulation 18. These holes are sheltered by the dunes and shielded from Pacific breezes.

Rancho San Lucas is a private resort with exclusive golf access available to guests of Solmar Group hotels, including the new on-site Grand Solmar at Rancho San Lucas Resort.

Quote By Course Designer Greg Norman:

"When we were first asked to build a golf course here, I drove over the top of the hill and saw all the arroyos and dunes set back from the sea, and I said 'Wow, this is the most spectacular piece of property I have seen in a long, long time.'"

Elevation:

The high point of the golf course is the back tee at the par-4 12th hole, which sits more than 100 meters (300 feet) above sea level.

Clubhouse:

In keeping with the authentic ranch theme of the resort community, the *ranchero*-style clubhouse at Rancho San Lucas, perched high above the ocean, commands fineviews of the opening and closing holes on both nines. In addition to a well-stocked golf shop with fashionable sportswear for men and women, the clubhouse features an indoor-outdoor restaurant and an event lawn overlooking the fairways and sea.

Playing Surfaces:

Greens, tees, fairways and rough are SeaDwarf Paspalum.

Practice Facility:

Situated adjacent to the clubhouse, the full-service practice facility features a large basin-shaped driving range, an 18-hole putting course, and a dedicated short game area with practice bunkers and target greens for pitching and chipping.

Comfort Stations:

Two comfort stations, also known as “Shark Shacks,” are strategically placed on the course for multiple visits. Each provides Mexican specialties and ice-cold refreshments, enabling players to enjoy an all-inclusive experience during the round. There’s also a “welcome wagon” available to players at the practice facility.
